

Rate Card PTA-Forum No. 30

Short portrait of PTA-Forum

PTA-forum delivers freshly printed knowledge for pharmacy technicians 24 times a year under the device "Fitness for everyday pharmacy work". This is presented with informative illustrations and graphics in a modern layout. The well-founded articles are formulated in an understandable way and provide practical help for the consultation with customers - just as it is useful for committed PTA.

Depending on the season, typical diseases and the possibilities of self-medication are also taken up. With the focus issues, a collection of knowledge about seasonal advice grows piece by piece.
